General Rules & Regulations

Except for the Kids' Horse Show & Rodeo, which is only open to residents of Jefferson County, the Jefferson County Fair is an 'open' fair, and exhibits in other departments will be accepted from outside the county.

Smoking is not permitted in any barns or buildings. The Fair Board asks the public's cooperation in this.

Alcoholic beverages permitted in Rodeo area ONLY.

The Jefferson County Fair Board reserves the right to formulate and announce new rules to meet emergencies that may arise later and/or during the Fair and to adjudicate all matters arising from the Fair.

The Fair Board reserves the final and absolute right to interpret these rules and regulations to arbitrarily determine all matters, questions and differences in regard thereto, connected with or incident to the Fair; and amend or add to these rules as may seem advantageous to the management.

Every exhibit will be under the control of the Fair Board, but while every precaution will be taken for their safekeeping, neither the Fair Board nor any of its officers or agents will be responsible for any loss, damage or accident that may occur, nor will it be held responsible for the safe return of any exhibit to its owner.

The Fair Board reserves the right to direct and regulate the parking of all vehicles or conveyances within the Fairground and to direct where they shall be driven therein.

Entries must be made on official fair entry form. Online entry access is at www.jeffersonmtfairrodeo.org. Exhibitors are encouraged to fill out entry forms by **Friday, August 20**, so tags are ready when exhibits are brought to the fair. **Late entries WILL be accepted except in Kids' Horse Show & Rodeo, Livestock, Poultry & Rabbits.** For help filling out online forms, call 406-225-4039.

Age will be considered when judging Junior & Youth divisions.

 - Adult: Over 16
 - Group: Items/projects grown/prepared by more than one person
- No article shall compete in more than one lot.

- The Fair Board reserves the right to require an affidavit as to the ownership, producer and place raised on any exhibit.

- Exhibitors erroneously entered may be transferred at the discretion of the Superintendent.
- The Superintendents of the departments will have entire charge of the exhibits in their departments.
- Judges' decisions are final. No disorderly conduct of any kind will be permitted.

Judging will be by merit except in Departments H (Horse Show) and I (Livestock). All entries will be given a blue, red or white ribbon. Absence of competition will not be justification for awarding a high placing to an animal or article of medium quality.

A FAIR OF THE HEART, any item featuring hearts, is Class H (Hearts) in Departments B, C, D, E, F, FA, and P.

Divisions:

Y = Youth, 7 and under
J = Junior 8 through 16

DEFINITIONS:

Stem: One (1) bloom with each stem.
Spray: Number of flowers and foliage on 1 stem.
Spike: Stemless flowers on a long stalk, i.e. gladiolus, liatris

SATURDAY EVENTS

Dept. C –Floral continued

HINTS TO EXHIBITORS:

* **Uniformity is very important:** All old blooms, bug-eaten, dead and broken leaves should be removed as carefully as possible. Length of stem, size of flowers, and maturity of flowers all should be as nearly alike as possible. Unless specified in the lot number, it does not matter whether flowers in an exhibit are all the same color. If a certain color is specified, the colors should be as much alike as possible in each flower.

*If plant material is to hold up through the exhibition period, it must be cut no later than a day before it is to be exhibited. Cutting should be done about 4 PM, because at this time there is the greatest amount of sugar in the leaves, and as soon as the flowers are plunged in water they take up enough to overcome any apparent wilting. Plunging stems in water at 100 degrees F is usually best; then set in a cool room, out of any draft, and let the water cool to room temperature. This enables the flowers to retain their rigidity and last much longer.

* Cut stems cleanly at an angle with a sharp knife and place at once in deep water. Foliage should be clean, with any broken or disfigured foliage or petals removed.

* Flowers or branches with wood stems such as phlox and roses should be split, crushed or pounded before being placed in deep water.

* Dahlias should be picked at daylight with a long stem, placed first in cold water, then hot water and set in a cool, dark place during the day. Any flower with milky or colorless fluid in its stem may be seared with a flame or the stem end placed in boiling water several minutes (blooms should be protected from the steam).

* Flowers to be used in arrangements such as Hosta, vegetable leaves, etc., should be immersed in water overnight.

HINTS TO EXHIBITORS:

- * **Threshold grain:** all samples should be free of dirt, weed seeds, chaff and other grains. There should be no evidence of smut in the sample. The sample should be pure as to variety and class of grain. The grain in the sample should be large, plum, and of a hard, flinty texture. The sample should be free from all kinds of damage such as pin pruning, etc. A deep, yet clear, dark red color is best for milling wheats. In oats and barley, fresh, clean color is very important.
- * **Sheaf grain:** In sheaf grains, the evidence of high yield and quality are of equal importance. A sheaf grain should be pure as to variety. The grain must be the natural green color and the maximum amount of foliage.
- * **Forage sheaves:** Sheaves are judged on their apparent forage, quality, purity and yield. It is essential that the show sample be cured in a way that preserves the natural green color and the maximum amount of foliage.
- * **All root crops:** Cut tops off leaving approximately 1 inch at the top and the roots should be cut off leaving approximately 1 inch, except for beets, on which the root should not be cut. Wash thoroughly, but do not use a brush.
- * **Beans and peas:** Leave ¼ to ½ inch stems and select uniform pods.
- * **Carrots:** Select carrots that do not have green shoulders.
- * **Dry onions:** Approximately 8 days before the Fair, twist tops and remove outer layer of dirty skin, just one layer. Spread out so air can pass over them until fair time. Remove tops approximately 1 inch and clip off roots to approximately 1 inch. Do not peel onions to make them shiny.
- * **Green Onions:** Lift just prior to exhibition, avoiding damage to root node, trim roots and tops, remove outer layer of skin to get dirt off.
- * **Potatoes:** After digging, allow them to dry 20 minutes or so to set the skin; wash gently and avoid rough handling.
- * **Rhubarb:** To remove leaf, cut 1 inch from each side of the stem in triangle pattern to center of leaf vein above. Leave base of stem intact.

2021 FAIR DEDICATED TO **ANIKA McCAULEY & LAURIE VOSSLER**

The 2021 Jefferson County Fair is gratefully dedicated to the memory of two longtime fair supporters, Anika McCauley and Laurie Vossler. Their spirited love of the fair and rodeo was contagious.

Anika McCauley was a talented teacher, artist, and Boulder Valley rancher. She taught junior high at Boulder Elementary and was many students' favorite teacher. She was an artist who excelled at painting, creating wreathes, and many other arts and crafts. She enjoyed fishing, camping, and spending time with her family and friends.

Anika and her husband, Jim

McCauley, organized the Boulder Rodeo for many years. Anika and her sister, Michelle Renskers, worked in the crow's nest during the In-County Rodeo, timing events and keeping track of rodeo winners.

Laurie Vossler, beloved former

owner of L&P Grocery in Boulder, enjoyed fair and rodeo activities. He was famous for bidding up baked goods at the Jefferson County Fair baked goods auction. His wide smile and the twinkle in his eye revealed it was all in good fun for a worthy cause.

Laurie was dedicated to his community of Boulder and generous with his friendship and help. He enjoyed ranching, working outside, supporting JHS sports, and his family.

Laurie Vossler's and Anika McCauley's smiles and steadfast support will be greatly missed at the 37th Annual Jefferson County Fair.

HELP WANTED!

The Fair & Rodeo is even better when you help make it happen

The Jefferson County Fair & Rodeo is loads of fun — and it's even better when you are a part of it! Planned and organized by community volunteers, it takes a lot of people to put on the fair.

There are many ways you can help, including taking entries,

assisting judges, displaying exhibits or stamping hands at the barn dance. Call Leah Lewis at (406) 459-0689 to sign up. To help with rodeo activities, call Brady Nordahl at (406) 531-4581.
